The Partnership Pamela Katz,2015-12-08 This fascinating portrait of two of the most brilliant theater artists of the twentieth century—and the women who made their work possible—is set against the explosive years of the Weimar Republic. Among the most outsized personalities of the sizzling, decadent period between the Great War and the Nazis' rise to power were the renegade poet Bertolt Brecht and the avant-garde composer Kurt Weill. These two young geniuses and the three women vital to their work—actresses Lotte Lenya and Helene Weigel and writer Elisabeth Hauptmann—joined talents to create the theatrical masterworks *The Threepenny Opera* and *The Rise and Fall of the City of Mahagonny*, only to split in rancor as their culture cracked open and their differences became irreconcilable. *The Partnership* is the first book to tell the full story of one of the most important creative collaborations of the last century, and the first to give full credit to the women who contributed their enormous gifts. Theirs is a thrilling story of artistic daring entwined with sexual freedom during the Weimar Republic's most fevered years, a time when art and politics and society were inextricably mixed.

The Rest Is Noise Alex Ross,2007-10-16 Winner of the 2007 National Book Critics Circle Award for Criticism A New York Times Book Review Top Ten Book of the Year Time magazine Top Ten Nonfiction Book of 2007 Newsweek Favorite Books of 2007 A Washington Post Book World Best Book of 2007 In this sweeping and dramatic narrative, Alex Ross, music critic for *The New Yorker*, weaves together the histories of the twentieth century and its music, from Vienna before the First World War to Paris in the twenties; from Hitler's Germany and Stalin's Russia to downtown New York in the sixties and seventies up to the present. Taking readers into the labyrinth of modern style, Ross draws revelatory connections between the century's most influential composers and the wider culture. *The Rest Is Noise* is an astonishing history of the twentieth century as told through its music.

The Caucasian Chalk Circle Bertolt Brecht,2015-03-16 This Student Edition of Brecht's classic dramatisation of the

conflict over possession of a child features an extensive introduction and commentary that includes a plot summary, discussion of the context, themes, characters, style and language as well as questions for further study and notes on words and phrases in the text. It is the perfect edition for students of theatre and literature. Brecht projects an ancient Chinese story onto a realistic setting in Soviet Georgia. In a theme that echoes the Judgment of Solomon, two women argue over the possession of a child; thanks to the unruly judge, Azdak (one of Brecht's most vivid creations) natural justice is done and the peasant Grusha keeps the child she loves, even though she is not its mother. Written in exile in the United States during the Second World War, *The Caucasian Chalk Circle* is a politically-charged, much-revived and complex example of Brecht's epic theatre. This volume contains expert notes on the author's life and work, historical and political background to the play, photographs from stage productions and a glossary of difficult words and phrases. It features the acclaimed translation by James and Tania Stern with W. H. Auden.

Who Married Figaro? Joyce Bourne Kennedy, 2008 From *Aeneas to Zaida, Who Married Figaro?* contains more than 2,500 entries on operatic characters from around the world. Giving details of the composer of each role as well as notable performances, this unique reference book also provides comprehensive synopses for over 200 operas and operettas. It features articles by well-known personalities from the world of opera, including Placido Domingo, Dame Janet Baker, and, new to this edition, Christine Brewer, Susan Bullock, Simon Keenlyside, and Joyce DiDonato. This fully revised edition now contains an appendix of contemporary opera of the last ten years, offering detailed synopses and world premiere cast lists. Up to date, authoritative, and packed with valuable information, this A-Z is an essential book for opera lovers.--BOOK JACKET.

Brecht at the Opera Joy H. Calico, 2019-10-22 From an award-winning author, the first thorough examination of the important influence of opera on Brecht's writings. *Brecht at the Opera* looks at the German playwright's lifelong ambivalent engagement with opera. An ardent opera lover in his youth, Brecht later denounced the genre as decadent and irrelevant to modern society even as he continued to work on opera projects throughout his career. He completed three operas and attempted two dozen more with composers such as Kurt Weill, Paul Hindemith, Hanns Eisler, and Paul Dessau. Joy H. Calico argues that Brecht's simultaneous work on opera and *Lehrstück* in the 1920s generated the new concept of audience experience that would come to define epic theater, and that his revisions to the theory of *Gestus* in the mid-1930s are reminiscent of nineteenth-century opera performance practices of mimesis.

Forbidden Music Michael Haas, 2013-04-15 *With National Socialism's* arrival in Germany in 1933, Jews dominated music more than virtually any other sector, making it the most important cultural front in the Nazi fight for German identity. This groundbreaking book looks at the Jewish composers and musicians banned by the Third Reich and the consequences for music throughout the rest of the twentieth century. Because Jewish musicians and composers were, by 1933, the principal

conveyors of Germany's historic traditions and the ideals of German culture, the isolation, exile and persecution of Jewish musicians by the Nazis became an act of musical self-mutilation. Michael Haas looks at the actual contribution of Jewish composers in Germany and Austria before 1933, at their increasingly precarious position in Nazi Europe, their forced emigration before and during the war, their ambivalent relationships with their countries of refuge, such as Britain and the United States and their contributions within the radically changed post-war music environment. /div

Bad Time for Poetry Bertolt Brecht, 1995 This is a selection of the best of Brecht's poems and songs, combining private and public poems from all stages of an intense and turbulent life as well as the most popular lyrics from plays such as Mahagonny and Mother Courage.

Kurt Weill on Stage Foster Hirsch, 2004-02-01 (Limelight). His best-known song is Mack the Knife, with words by Bertolt Brecht, from The Threepenny Opera, first performed in Weimar Berlin in 1928. Five years later, Kurt Weill fled the Nazis to come to America, where he soon emerged as one of the most admired composers of the Broadway musical stage. His shows included: Knickerbocker Holiday, Lady in the Dark, One Touch of Venus, Street Scene and Lost in the Stars. His songs: My Ship, September Song, Speak Low and It Never Was You. This biography concentrates on Weill's career in the United States, but its aim is to explore the truth in the comment made by Weill's wife, the unforgettable Lotte Lenya: There is no American Weill, there is no German Weill. There is no difference between them. There is only Weill.

Lost in the Stars Maxwell Anderson, Kurt Weill, 2012-03-01

The Business Affairs of Mr Julius Caesar Bertolt Brecht, 2016-01-28 Bertolt Brecht's extraordinary historical novel presents an aspiring scholar's efforts to write an idealized life of Julius Caesar twenty years after his death. But the historian abandons his planned biography, confronted by a baffling range of contradictory views. Was Caesar an opportunist, a permanently bankrupt businessman who became too big for the banks to allow him to fail - as his former banker claims? Did he stumble into power while trying to make money, as suggested by the diary of his former slave? Across these different versions of Caesar's career in the political and economic life of Rome, Brecht wryly contrasts the narratives of imperial progress with the reality of grasping self-interest, in a sly allegory that points to the Weimar Republic and perhaps even to our own times. Brecht reminds his readers of the need for constant vigilance and critical suspicion towards the great figures of the past. In an echo of his dramatic theories, the audience is confronted with its own task of active interpretation rather

than passive acceptance -- we have to work out our own views about Mr Julius Caesar. This edition is translated by Charles Osborne and features an introduction and editorial notes by Anthony Phelan and Tom Kuhn.

Brecht Collected Plays: 2 Bertolt Brecht,2015-03-20 Published by Methuen Drama, the collected dramatic works of Bertolt Brecht are presented in the most comprehensive and authoritative editions of Brecht's plays in the English language. This second volume of Brecht's Collected Plays brings together some of his most glittering Berlin successes including The Threepenny Opera, The Rise and Fall of the City of Mahagonny, The Seven Deadly Sins, Man Equals Man and The Elephant Calf. The Threepenny Opera is the story of the mercurial beggar turned entrepreneur Peachum and his battles with the criminal Mac 'the Knife'; Mahagonny, an operatic satire on the search for an American capitalist utopia; The Seven Deadly Sins is a ballet with songs that predicts the downfall of the petty bourgeoisie and was first performed as the Nazis planned their book burning exercise. Man equals Man is an exploration of the theory of equality and The Elephant Calf is a play within a play based on an Indian folk story. The translators include W H Auden and Chester Kallman, Ralph Manheim, Gerhard Nellhaus and John Willett. The translations are ideal for both study and performance. The volume is accompanied by a full introduction and notes by the series editor John Willett and includes Brecht's own notes and relevant texts as well as all the important textual variants.

Fordlandia Greg Grandin,2010-04-27 From Pulitzer Prize-winning author Greg Grandin comes the stunning, never before told story of the quixotic attempt to recreate small-town America in the heart of the Amazon In 1927, Henry Ford, the richest man in the world, bought a tract of land twice the size of Delaware in the Brazilian Amazon. His intention was to grow rubber, but the project rapidly evolved into a more ambitious bid to export America itself, along with its golf courses, ice-cream shops, bandstands, indoor plumbing, and Model Ts rolling down broad streets. Fordlandia, as the settlement was called, quickly became the site of an epic clash. On one side was the car magnate, lean, austere, the man who reduced industrial production to its simplest motions; on the other, the Amazon, lush, extravagant, the most complex ecological system on the planet. Ford's early success in imposing time clocks and square dances on the jungle soon collapsed, as indigenous workers, rejecting his midwestern Puritanism, turned the place into a ribald tropical boomtown. Fordlandia's eventual demise as a rubber plantation foreshadowed the practices that today are laying waste to the rain forest. More than a parable of one man's arrogant attempt to force his will on the natural world, Fordlandia depicts a desperate quest to salvage the bygone America that the Ford factory system did much to dispatch. As Greg Grandin shows in this gripping and mordantly observed history, Ford's great delusion was not that the Amazon could be tamed but that the forces of capitalism, once released, might yet be contained. Fordlandia is a 2009 National Book Award Finalist for Nonfiction.

Molto Agitato Johanna Fiedler,2003-09-09 If the opera world is full of “intrigue, double meanings, and devious

dramatics,” then no place exemplifies this more than the world-famous Metropolitan Opera, where politics, ambition, and oversized egos have traditionally taken center stage along with some of the world’s richest music. Drawing on her fifteen years as its press representative, Johanna Fiedler explodes the traditional secrecy that surrounds the Met in this wonderfully entertaining account of its tumultuous history. Fiedler chronicles the Met’s early days as a home for legends like Toscanini, Mahler, and Caruso, and gives a fascinating account of the middle years when haughty blue-bloods battled stubborn administrators for control of a company that would emerge as America’s premiere opera house. She takes us behind the grand gold-curtain stage in more recent years as well, showing how musical superstars like Luciano Pavarotti, Plácido Domingo, and Kathleen Battle have electrified performances and scandalized the public. But most revelatory are Fiedler’s portrayals of James Levine and Joseph Volpe and their practically parallel ascendancies—Levine rising from prodigy to artistic director, Volpe advancing from stagehand to general manager—and their once strained relationship. Weaving together the personal, economic, and artistic struggles that characterize the Met’s long and vibrant history, *Molto Agitato* is a must-read saga of power, wealth, and, above all, great music.
