The Book of Kink Eva Christina, 2011-10-04 How to get your Fifty Shades on... For anyone who's felt...inspired...after reading Fifty Shades of Grey, The Book of Kink both entertains and enlightens, showing you the who, what, where, why, and how of kink. People everywhere are into kinky sex. For some, it's a way to spice up a withered sex life; for others, it's a way of life. No matter how or why we do it, kinky sex is as old as Adam and Eve and as commonplace as your next-door neighbor. For example, did you know: Japan organized the largest orgy ever caught on tape, featuring 500 participants? A Berlin hotel offers different rooms dedicated to kinky sex, including one with a coffin? Those who are into having sex with an armpit have a fetish called axillism? There is a university dedicated entirely to love and sex called the Loveology University? The Book of Kink is an entertaining and enlightening look into all things beyond the pale when it comes to sex. Exploring everything from equipment, sex classes, sex parties, and porn to the who, what, where, when, why, and how of kink, it delves into fetishes, turn-ons, role-playing, and how the Internet has put a new spin on kinkiness. It is an X-rated romp through cultural and social history and contemporary mores. Whether you're appalled to learn that people actually do this or are relieved to find out that you're not the only one, you'll never see sex the same way again.

The Pornography Wars Kelsy Burke, 2023-04-25 For readers of Peggy Orenstein and Rebecca Traister, an authoritative, big think look at pornography in all its facets - historical, religious, and cultural. In the 1960s, sex researchers Masters and Johnson declared the end of the fake orgasm. Nearly two decades later, in 1982, evangelical activist Tim LaHaye foretold that the entire pornography industry would soon be driven out of business. Neither prediction proved true. Instead, with the rise of the internet, pornography saturates the American conscience more than ever and has reshaped our understanding of sexuality, relationships, media, and even the nature of addiction. Dr. Kelsy Burke has spent the last five years researching and interviewing internet pornography's opponents and its sympathizers. In The Pornography Wars, Burke does a deep dive into the long history of pornography in America and then turns her gaze on our present society to examine the ways this industry touches on the most intimate parts of American lives. She offers a complete understanding of the major players in the debates around porn's place in society: everyone from sex workers, activists, therapists, religious leaders, and consumers. In doing so, she addresses and debunks the myths that surround porn and porn usage while showing how everything from the way we teach children about sex to the legal protections for what can be published is tied up in the

deeply complicated battles over pornography. Sweeping, savvy, and deeply researched, *The Pornography Wars* is a necessary and comprehensive new look at pornography and American life.

Superfreaks Arielle Greenberg, 2023-08-01 A deliciously subversive and endlessly informative celebration of “kinky f*ckery,” as told by a lifelong student of kink and fetishism Neither a how-to guide to getting it on nor a collection of sensational erotica, *Superfreaks* is instead an empathetic journey into the widely misunderstood world of kink. Lifelong practitioner and student of “kinky f*ckery” Arielle Greenberg draws on her study and teaching of BDSM and fetishism to introduce kink’s history and trailblazing kinksters like Leopold von Sacher-Masoch, Mollena Williams-Haas, and Tom of Finland explain the science behind sexual fetishes delve into the psychology behind power exchange parse the politics of sexual deviance *Superfreaks* is an accessible, interactive. and raunchy experience that invites the reader to engage their kinky curiosity. Written with folks of all genders and sexual orientations in mind, the book features resources like quizzes readers can take with their partners to help assess sexual compatibility sidebars with lists of kinky representation in literature, film, music, and more an A-to-Z glossary of kinky gear, from collars and floggers to zentai suits and beyond *Superfreaks* challenges and dismantles longstanding myths about kink perpetuated by pop culture phenomena like *Fifty Shades of Grey* and *365 Days*. In doing so, Greenberg names the systemic marginalization kinky people experience and argues that we must build a society that accepts and celebrates sexual diversity of all kinds. The book also affirms the importance of consent and not “yucking someone’s yum”—key concepts inherent to the practice of kink that are essential building blocks for safer, more inclusive sex.

His Indecent Training Sky Corgan, There was an uneasy feeling in my chest as I stared down at the submissive questionnaire that Damien Reed had given me. Learning about BDSM would put our relationship on a completely different level—a level I had wanted so badly since first setting eyes on him. Damien was handsome, dominant, caring, and still a complete anomaly to me. More than anything, I wanted to unravel his mystery—and become a part of it. This was the next phase of our relationship. The phase where I was more than just his student. The phase of commitment. But it came at a price. Many of my normal everyday freedoms would be stripped away. I would have to learn to obey his every command, to

be at his beck and call. Not his girlfriend, but his submissive. In truth, I still wasn't sure it was what I wanted, but I would do anything it took to be close to him, and if this was the price . . .

The Ultimate Guide to Kink Tristan Taormino,2012-03-01 The Ultimate Guide to Kink is the first major guide to BDSM in a generation—a bold and sexy collection of essays that run the gamut from expert how-to tutorials to provocative essays that delve into complex questions about desire, power, and pleasure. The book brings together diverse voices from the kink community in an unprecedented way: each chapter is written by a different sexuality/BDSM educator. Divided into two sections, the first section features thorough, thoughtful pieces—on everything from flogging to bondage—packed with techniques and beautifully illustrated with original images from artist Katie Diamond. The second section is dedicated to role-playing fantasies and personal manifestos. From age play to masochism, these chapters cover some of the edgiest, most taboo and controversial elements of kink in depth. The Ultimate Guide to Kink features the expertise of renowned educators writing passionately on their favorite subjects, including Patrick Califia, Midori, Laura Antoniou, Barbara Carrellas, Lee Harrington, Jack Rinella, Lolita Wolf, Madison Young, Hardy Haberman, Felice Shays, Ignacio Rivera, Sarah Sloane, Mollena Williams, FifthAngel, and Edge. It will educate, inspire, and challenge both newcomers to the world of kink and experienced BDSM players.

Becoming a Slave Jack Rinella,2005 Becoming a Slave is an authoritative, and well-documented book on the process of finding and submitting to a dominant. Beginning with a description of terms and the characteristics to be found in a master and in a slave, the book continues with how one realizes and understands their own desire to submit and serve, proceeds to the process of advertising, searching, meeting, and interviewing prospective masters, and ends with a great deal of practical advice on submitting, serving, and satisfying a dominant in a healthy and practical way.

Directing Desire Kari Barclay,2023-09-23 Directing Desire explores the rise of consent-based and trauma-informed approaches to staging sexually and sensually charged scenes for theater in the contemporary U.S., known as intimacy

choreography. From 2015 to 2020, intimacy choreography transformed from a grassroots movement in experimental and regional theaters into a best practice accepted in Hollywood and on Broadway. Today, intimacy choreographers have become a veritable intimacy industry in the cultural sphere, sparking attention from Rolling Stone to The New York Times to the sketch comedy series Saturday Night Live. This book analyzes the forces that have led to intimacy choreography's meteoric rise and asks what implications the field has for theater practice more broadly. Building a theoretical framework for intimacy directing, *Directing Desire* also strives to reorient the conversation in the field so that artists understand not only best practices in consent but also intersectional frameworks that expand and rework consent.
