

Discover Your Soul Potential Using The Enneagram

Don Richard Riso, Russ Hudson

Discover Your Soul Potential Kathy Hurley, Theodorre Donson, 2012-04-03 Discover Your Soul Potential: Using the Enneagram to Awaken Spiritual Vitality shows how to use the Enneagram as a gateway into the full potential of your soul. With it, you can live with simplicity, clarity and compassion; you will feel inspired to create a new partnership between the ordinary and EXTRAordinary sides of your personality. Authors Kathy Hurley and Theodorre Donson combine insights from mystical traditions with contemporary psychology and their intimate knowledge of the Enneagram to provide this tool for ongoing growth. As part of their life quest to help people live from the power of their own souls, they explain how spiritual vitality can be the privilege, inheritance and responsibility of every human being. On our spiritual journey it seems our hearts yearn for us to know who we are, and the Enneagram is the clearest, most accurate method of understanding the personality traits of ourselves and others. It is based on the theory of three centres of intelligence: Intellectual, Relational and Instinctual, or more commonly referred to as Thinking, Feeling and Doing. Our personality is a unique configuration of the three capacities inherent in every person. Because of its practical approach, this groundbreaking book makes spiritual vitality easily accessible to all.

My Best Self Kathleen V. Hurley, 1993-05-14 The authors of the popular What's My Type? break through to a dramatic new level of Enneagram work by exploring the Original -- or Hidden -- Wound and outlining the recovery of our Repressed Center -- the key to releasing our power to love ourselves, love others, and put our unique talents to work in the world. Reclaiming the Hidden Self or Repressed Center completes, heals, and integrates our personality. Through real-life examples and questions for personal or group use, the authors detail this soul-making process by which we become rounded, capable of love, and empowered to create and contribute. Hurley and Dobson explore the three centers of human intelligence -- the Intellectual, the Relational, and the Creative -- and how they operate in our lives. Each of the nine personality types prefers one center, relies on another for backup support, and represses one center altogether. The Enneagram challenge is to recover the lost resources of our personality's repressed center. Freed to be fully intellectual, creative, and relational in our living, we become able to achieve harmony, joy, love, and creativity.

The Complete Idiot's Guide to the Power of the Enneagram Herb Pearce, Karen K. Brees, 2007 The Enneagram system has been used for decades to help people understand their strengths and weaknesses, heal neuroses and inner

conflicts, enhance creativity, strengthen workplace team-building, and aid in couples therapy. Literally thousands of workshops are held around the globe, from China to Miami. Enneagram counsellors are certified by the world Enneagram Institute, as well as by regional institutes around the world. The Complete Idiot's Guide to the Power of the Enneagram, by certified teacher and counsellor Herb Pearce, gives the reader a complete workshop course in this amazing self-enrichment program and includes proven applications for nearly every important aspect of our lives- relationships, work, and spiritual and psychological development. Written from over 16 years of instructional experience, The Complete Idiot's Guide to the Power of the Enneagram takes the mystery and complexity out of this rich system of analysis and allows anyone to benefit from its useful insights.

Personality Types Don Richard Riso, Russ Hudson, 1996-10-29 The definitive guide to using this ancient psychological system to gain self-knowledge and achieve personal growth—now expanded and revised. The Enneagram is an extraordinary framework for understanding more about ourselves. No matter from which point of view we approach it, we discover fresh conjunctions of new and old ideas. So writes Don Riso in this expanded edition of his classic interpretation of the Enneagram, the ancient psychological system used to understand the human personality. In addition to updating the descriptions of the nine personality types, Personality Types, Revised greatly expands the accompanying guidelines and, for the first time, uncovers the Core Dynamics, or Levels of Development, within each type. This skeletal system provides far more information about the inner tension and movements of the nine personalities than has previously been published. This increased specificity will allow therapists, social workers, personnel managers, students of the Enneagram, and general readers alike to use it with much greater precision as they unlock the secrets of self-understanding, and thus self-transformation. “No Enneagram teachers I’ve come across offer such a rich and dynamic picture of how each personality type expresses itself in the world, and the process by which we can move through progressive stages of psychological and spiritual growth.”—Tony Schwartz, author of What Really Matters: Searching for Wisdom in America

The Sacred Enneagram Christopher L. Heuertz, 2017-09-05 Most of us spend a lifetime trying to figure out who we are and how we relate to others and God. The Enneagram is here to help. Far more than a personality test, author Chris Heuertz teaches us that the Enneagram is a sacred map to the soul. Lies about who we think we are keep us trapped in loops of self-defeat, but the Enneagram uniquely reveals nine ways we get lost, as well as nine ways we find our way home to our true self and to God. Whether you are an enthusiast or simply Enneagram-curious, this groundbreaking guide to the spiritual depth of the Enneagram will help you: Understand the why behind your type beyond caricatures and stereotypes Identify and find freedom from self-destructive patterns Learn how to work with your type toward spiritual growth Awaken your unique gifts to serve today's broken world Richly insightful and deeply practical, The Sacred Enneagram is your invitation to begin the journey of a life transformed. Praise for The Sacred Enneagram: Integrated within these pages is Chris's extensive

knowledge and understanding of this ancient tool, along with depth in his teaching of contemplative spirituality as practiced by Jesus. Readers are offered a powerful way forward in their unique journey of spiritual transformation through aligning Christian contemplative prayer postures to specific Enneagram types. --Nina M. Barnes, Dean of Spiritual Formation & Leadership, University of Northwestern-St. Paul The Sacred Enneagram is a groundbreaking contribution to the Enneagram community, providing unique spiritual growth insights for all nine types. If you're not yet convinced of the value, depth, and accuracy of the Enneagram, Chris demystifies and makes this ancient wisdom more accessible than ever. --George Mekhail, pastor, The Riverside Church NYC

The Enneagram for Spiritual Formation A. J. Sherrill, 2020-09-15 Author A. J. Sherrill still remembers the moment when his life was forever changed by a word he didn't even understand at the time: Enneagram. A personality theory that includes nine different types, the Enneagram has become a popular tool for self-awareness and improvement. But in this book, Sherrill goes deeper, exploring with Christians how the Enneagram can be a pathway to profound spiritual transformation. Sherrill reveals the Enneagram as a tool to unlock new ways of viewing identity, personality, discipleship, spiritual practices, evangelism, and the Bible. Using this fresh approach, Sherrill shows how our true identity is that of a beloved child of God. Recognizing that, we can move confidently into the world expressing this identity through our unique personality. Through Sherrill's detailed spiritual exploration of each type, readers will emerge viewing the Enneagram as a precious gift to following Jesus more closely. Foreword by Chuck DeGroat.

The Enneagram of Passions and Virtues Sandra Maitri, 2005 How the mysterious nine-pointed symbol of the enneagram illuminates the worst pitfalls and highest virtues of our psyches. The Enneagram of Passions and Virtues elucidates human experience beyond the personality structure. In the tradition of the enneagram, the Virtues are said to be the affective atmosphere that replaces the compulsive and reactive emotional patterns-called the Passions-as one becomes freer of the ego. Sandra Maitri shows how the shift in our consciousness, or soul, from being informed by the Passions to being informed by the Virtues, is one of the hallmarks of inner development. In this book, Maitri explores how our awareness of the Passions, in turn, leads to the manifestation of the Virtues. This shift supports growth on the level of personality as well as on the level of what is beyond-Being, or True Nature. Maitri is widely known as one of the most literate and in-depth writers and teachers on the uses of the enneagram as a tool of inner development. In this book she provides what can be for some an entry into inner work, and for others, who have been engaged in the journey for a longer time, a uniquely incisive explication of concepts they may have missed.

Facets of Unity A. H. Almaas,2000-09-05 A “heartily recommend[ed]” text for “Enneagram enthusiasts . . . and followers of every spiritual tradition”—by the creator of the Diamond Approach to Self-Realization (Helen Palmer, author of *The Enneagram*) *Facets of Unity* presents the Enneagram of Holy Ideas as a crystal clear window on the true reality experienced in enlightened consciousness. Here we are not directed toward the psychological types but the higher spiritual realities they reflect. We discover how the disconnection from each Holy Idea—defined as an unconditioned, objective understanding of reality—leads to the development of its corresponding fixation, thus recognizing each types deeper psychological core. Understanding this core brings each Holy Idea within reach, so its spiritual perspective can serve as a key for unlocking the fixation and freeing us from its limitations.

Shalom and the Community of Creation Randy Woodley, 2012-05-25 Materialism. Greed. Loneliness. A manic pace. Abuse of the natural world. Inequality. Injustice. War. The endemic problems facing America today are staggering. We need change and restoration. But where to begin? In *Shalom and the Community of Creation* Randy Woodley offers an answer: learn more about the Native American 'Harmony Way,' a concept that closely parallels biblical shalom. Doing so can bring reconciliation between Euro-Westerners and indigenous peoples, a new connectedness with the Creator and creation, an end to imperial warfare, the ability to live in the moment, justice, restoration -- and a more biblically authentic spirituality. Rooted in redemptive correction, this book calls for true partnership through the co-creation of new theological systems that foster wholeness and peace.

The American Book of Living and Dying Richard F. Groves, Henriette Anne Klauser, 2015-12-16 For most people, the thought of dying or caring for a terminally ill friend or family member raises fears and questions as old as humanity: What is

a “good death”? What appropriate preparations should be made? How do we best support our loved ones as life draws to its close? In this nondenominational handbook, Richard F. Groves and Henriette Anne Klauser provide comfort, direction, and hope to the dying and their caregivers through nine archetypal stories that illustrate the most common end-of-life concerns. Drawing from personal experiences, the authors offer invaluable guidance on easing emotional pain and navigating this difficult final passage. With a compelling new preface, this edition also features an overview of the hospice movement; a survey of Celtic, Tibetan, Egyptian, and other historic perspectives on the sacred art of dying; as well as various therapies, techniques, and rituals to alleviate suffering, stimulate reflection, and strengthen interpersonal bonds. The American Book of Living and Dying gives us courage to trust our deepest instincts, and reminds us that by telling the stories of those who have passed, we remember, honor, and continue to learn from them.
