Playing the Viola David Dalton, 1989-11-30 'In all areas of human endeavour, time and again an individual appears who, due to a multitude of personal attributes, elevates his or her field to a hitherto unknown height. Such an individual was William Primrose. His name and the viola are synonymous.' Janos Starker This unique book is the result of a series of conversations with Primrose in the last years before his death in 1982. David Dalton describes how he came to the great artist armed with every question he could think of pertaining to performing on and teaching the viola. The lively dialogue contains a wealth of illuminating advice for the student on the technicalities of playing the viola. It is, however, far more than a technical guide. The two violists discuss the unique position of their instrument - 'an instrument without tradition' is Primrose's bald description. They cover the topic of repertoire with fascinating insights into the performance of the great concertos by Bartók and Walton, with which Primrose was so closely associated. Still more invaluable advice emerges from

the discussion of Primrose's own experience, on the art of performance, on demeanour on stage, on competitions, on recordings, and on preparing for a career. The book is a tribute to one of the greatest artists of this century.

Unravelling Elizabeth Graver,1999 In a beautifully realized debut novel reminiscent of *The Scarlet Letter*, an unconventional young woman who chooses independence over conformity is scorned by her family in a 19th-century New England town.

The Present State of Music in France and Italy: Or the Journal of a Tour Through Those Countries (1773) Charles Burney,2009-06 This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

2028 End Gabriel Erb,2019-07-12 God created a game - it's called The Game of Life. Planet Earth is the playing field, the 10 love commandments are the rules, and we humans are the players who can win or lose. The game is played by two teams, like the game of football. One team's head coach is Jesus and the other team's head coach is Satan. All of us on earth are playing for one of these two teams! Gabriel Ansley Erb wrote the book 2028 END in order to fully elucidate God's game clock scenario for The Game of Life as contained in the game's handbook, the Holy Bible. The handbook says, God declared the end from the beginning (Isaiah 46:10) by using 7 days in the creation event. Each 24 hour creation day foretold of a future 1,000 year period for a total 7,000 year plan God had for The Game of Life to be played on planet earth. And amazingly, to confirm this is all true, God hid a secret prophesy in each creation day foretelling the greatest event He had planned to occur in that day's future millennium!Consequently, Creation day 1 foretold Adam & Eve's fall, which was fulfilled during earth's 1st millennium. Creation day 2 foretold Noah's global flood, which was fulfilled during earth's 2nd millennium. Creation day 3 foretold Moses' Red Sea parting, which was fulfilled during earth's 3rd millennium. Creation day 4 foretold of John the Baptist & Jesus Christ, and so they lived and died during earth's 4th millennium. And the prophecies continue with each Creation day!Gabriel proves all of the above, carefully revealing the prophetic Scriptures as well as the fulfillment Scriptures. Then he reveals a dozen Scriptures proving Christ died earth's 4,000 year and will return earth's 6,000 year. Finally, he proves Christ died Feast of Passover AD 28 and will return Feast of Trumpets 2028. For those who read this book, it is an open and shut case: The Game of Life will end 2,000 years from the year of Christ's death on the cross - AD 2028.
